YASHOBHOOMI CONVENTION CENTRE, NEW DELHI
18, 19, 20 December 2026 (Fri-Sat-Sun)

Host

Dilip Shanghvi
Former President IPCA

MESSAGE - FORMER PRESIDENT

I extend my heartfelt greetings on the occasion of the **75th Indian Pharmaceutical Congress (IPC 2026) - Platinum Jubilee Edition**, to be held from **18-20 December 2026** at the **Yashobhoomi Convention Centre, New Delhi**.

The Platinum Jubilee of the Indian Pharmaceutical Congress marks a defining milestone in the journey of India's pharmaceutical sector. For seventy-five years, IPC has served as the nation's premier platform for scientific exchange, professional excellence, policy dialogue, and meaningful collaboration among industry, academia, regulators, and healthcare professionals. It has played a vital role in advancing innovation, strengthening quality standards, and fostering an ecosystem that has enabled India to emerge as one of the world's most trusted pharmaceutical destinations.

Today, as the "Pharmacy of the World," India is poised to become a "**Pharma Powerhouse@2047**." Achieving this vision will require continued leadership in innovation, advanced research, artificial intelligence, biotechnology, precision medicine, sustainable manufacturing, resilient supply chains, and globally harmonised regulatory systems. As we progress towards **Viksit Bharat@2047**, the pharmaceutical industry will remain a key driver of healthcare, economic growth, and technological advancement.

The 75th IPC will bring together stakeholders from across the ecosystem to address emerging opportunities and global challenges while shaping the future of pharmaceutical science, manufacturing, regulation, and patient-centric healthcare.

As we celebrate this historic milestone, let us reaffirm our commitment to quality, innovation, ethics, sustainability, and excellence. Through stronger collaboration among industry, academia, research institutions, government, and healthcare professionals, we can accelerate scientific progress, strengthen India's global competitiveness, and build a resilient, innovation-driven pharmaceutical ecosystem.

I congratulate the Indian Pharmaceutical Congress Association, the Organising Committee, and all stakeholders who have contributed to this remarkable legacy over the past seventy-five years.

I am confident that the Platinum Jubilee Edition of IPC will inspire new partnerships, transformative ideas, and visionary leadership that will help realise the vision of **Viksit Bharat@2047**.

I wish the 75th Indian Pharmaceutical Congress (IPC 2026) every success and look forward to welcoming you to New Delhi for this landmark celebration.

Best wishes,

Dilip Shanghvi
Executive Chairman
Sun Pharmaceutical Industries Ltd.
